S. Durfee called the meeting to order, motion to accept previous minutes C. Durfee, seconded by M. Abbey

Treasurer's Report: M. Ryan has been in contact with bank to remove Steve Nawrocki's name from account as he is no longer director. Boosters aware and in agreement for this change to take place.

New Business:

Tent poles - 7 were ruined from when tent blew over before our competition. Shawn found & purchased for \$154.79 which included shipping. He will be reimbursed for this purchase. We need to discuss buying our own tent so we don't need to borrow it anymore.

Candy bars - parent E. Suhr made boosters aware that several calls made to highschool regarding candy bars being sold by his son for \$2. His son was questioned by principal, both he & M. Baumgratz made principal aware that price did go up to \$2 and that student was selling them at the correct price. We will update the community of the price increase which was done due to increased cost from Gertrude Hawk. In order for the students to continue to make a profit for their student accounts the price increase needed to be done.

Craft show this Saturday - remainder of meeting was lead by W. Meka discussing preparations for and schedule of craft show.

Next booster mtg Wednesday 12/7/22 at 6pm in the band classroom.

Meeting adjourned at 8 pm - motion by M.Baumgratz, seconded by C. Durfee.

Respectfully submitted by C. Schwab
